MEDIA KIT 2026

We are Africa's premier hip-hop platform

HYPE Magazine is Africa's leading hip-hop platform, evolving from a traditional publication into a digital-first media enterprise that has documented music and culture for over 20 years, serving as a key voice in contemporary African culture.

Our Key Strengths

Through HYPE's specially curated content, advertising campaigns and strategic partnerships, we create meaningful brand-consumer connections while maximising reach through fresh, unconventional daily content.

With a legacy spanning more than two decades, we have remained at the forefront of music, fashion, lifestyle and cultural trends. Our extensive digital ecosystem delivers engaging content across multiple platforms, connecting brands with an influential, highly engaged youth audience.

WHAT IS A *SPOTLIGHT* COVER?

The HYPE Spotlight Feature occupies a premium spot on the website and is given the same editorial efforts as the HYPE cover. This offering was developed to meet the high demand for HYPE covers providing brands with an alternative premium feature option.

Includes the following:

- ☐ Professional photoshoot
- ☐ In-depth editorial coverage
- ☐ Social media amplification
- ☐ Premium website placement
- ☐ Behind-the-scenes content

WHAT IS A *TAILOR-MADE* *EDITION* ?

HYPE's tailor-made editions allow partnerships to tap into our publishing expertise and leverage our insights for premium commercial impact. These special editions create truly memorable covers powered by brands.

Includes the following:

- ☐ Bespoke cover design
- ☐ Brand integration
- ☐ Custom editorial content
- ☐ Multi-platform promotion
- ☐ Limited-edition – print copies
